The public notice will need to place in the newspaper as a display ad and not in the legal section.

Thank you Chris.

I'll let Tammy respond to the public notice requirements.

Appreciate the clarification on the repositories, we'll take note for the postings.

Yes drop it off here at Cal Center and we'll date stamp the document and place in our file room waiting area for the public.

-Pete

Thanks Petel Per your request below, we will:

- Publish the notice in the Sac Bee. Do you have specific requirements (section, size, etc)
- Once the CIP supplemental addendum is approved, we will produce the document and send to all Agencies and place in the repositories. Note, we do not use the Rancho Cordova Library, we use the Sac State Library and the Downtown Central Library. I have not placed a document in the DTSC Regional Office. If I send you a second copy, is this something you can do or is it not located at 8800 Cal Center Drive? If you need us to place it in the DTSC Regional Office, please send over instructions and we will be happy to do so.
- Procure a court reporter for the meeting as soon as we hear back that May 16 is acceptable to the CAG

We met with the City of Folsom yesterday. They have no objections to having the meeting at the normal CAG location. They do plan on posting the public notice and fact sheet on their City webpage. I will take care of ensuring they receive these documents when they are finalized.

Let me know if there is any other way we can assist.

**Subject:** [EXTERNAL] AR Area 40 Public Outreach Items

Hi Chris,

Just got off the phone with Tammy Pickens our PPS. I consulted with her on a several items and wanted to provide the responses.

- Tammy is currently reviewing/editing the CIP Supplemental Addendum, Community Update(fact sheet), & Public Notice. She will put the CIP and Update into the most recent versions (templates).
- Once I receive the CAG contact Info I will forward to Tammy P. to update the existing mailing list.
- DTSC would request that AR coordinate and place the public notice into the Sac Bee. Please confirm you will initiate this task.
- AR to place the final version of the CIP Supplemental Addendum @ Sac State library, Rancho Cordova Library, and DTSC's Regional Office.
- RC City Hall is fine for the public meeting – no objections.
- 50 chairs is sufficient for the meeting and DTSC requests that AR procure a court reporter for the meeting.
- A podium is not necessary but perhaps one can be made available if desired by the public or CAG?
- I emailed Janice and am waiting to hear back if she supports the RAP public meeting to replace the CAG on May 16<sup>th</sup>.

- I will follow up with Tammy on Monday to check in on her revisions to the documents(Final version). Assuming no objections from her supervisor and program is fine, the documents will be ready for distribution. Remember our Admin needs about 7-8 days to generate the envelopes and Update copies for distribution to the public. This means we need to have a final Community Update ready by April 23rd-24<sup>th</sup>.

Thank you.
